2016 MENDOCINO ZINFANDEL

With a label inspired by the psychedelic rock posters of the 1960s, Zinfandelic captures the spirit of Zinfandel, California's quintessential wine. The vineyards are located on the rolling hillsides of Mendocino with their beautiful iron and organic rich soils producing fruit forward, brambly flavors.

VARIETAL	Zinfandel
VINTAGE	2016
APPELLATION	Mendocino, CA
TASTING NOTES	A classic Mendocino Zinfandel, exhibiting the rich, bramble fruit characteristics that are hallmarks of the region. Soft tannins balance this full-bodied wine. Lush flavors of blackberry and blueberry are complemented by notes of violet and spice.
ACCOLADES	91 POINTS - Wine Enthusiast, 2018 SILVER MEDAL - Winemaker Challenge 2018
VINEYARDS	Mendocino, located in California's rugged North Coast, has unique microclimates. The coastal mountain range manifests high heat during the day while the close proximity to the Pacific ocean allows cooling in the evenings. This coupled with rich, well-drained soils makes great growing conditions of varietally expressive Zinfandel.
IT'S ZIN-FAN-DELIC	Zinfandel has always been the quintessential California wine. Taking on the characteristics of the regions where it's grown, the flavor of a California Zin is like the flavor of California itself. It's free love in a bottle, with a vibe all its own - at times mellow, others bold or even spicy. But it's always, dare we say, groovy.
