SIERRA FOOTHILLS

The Sierra Foothills, at the foot of the Sierra Nevada mountains in central California, is renowned for producing California's finest Zinfandels, some of them crafted from 19th-century vines. Organically farmed old vine vineyard is planted on hillsides enjoys warm days and cool evening breezes, promoting full ripening of grapes, leading to balanced acidity and robust flavors.

IT'S ZIN-FAN-DELIC

Inspired by the psychedelic rock posters of the 1960s, Zinfandelic captures the spirit of Zinfandel, California's quintessential wine. The flavor of California Zin is like the flavor of California itself. It's free love in a bottle, with a vibe all its own – at times mellow, others bold or even spicy. But it's always, dare we say, groovy.

"Zinfandelic is a tribute to my love for the 1960s rock music and the free expression of the Zinfandel grape. Each wine is crafted as it's own song, to be enjoyed and shared with others."
